

EMV 3DS Secure Code One-Time Passcode
Terms and Conditions for online transactions using your DFCU Debit
and Credit Card

Please read these terms and conditions carefully and make sure you have fully understood before using this service. Using this service after you have read these Terms and Conditions shall mean that you have accepted such Terms and Conditions.

1. When making an online transaction that requires a One-Time Passcode (OTP), the OTP will be sent to your mobile phone number already registered in Deseret First Credit Union's system via SMS. You must then enter your OTP to complete your transaction on the page of your device's screen when transacting online. Registration for OTP service is not required. If you are not able to enter the OTP, or authentication via this service fails, the merchant online will reject your card for this transaction. You agree that Deseret First Credit Union is not responsible for the rejection by such merchant to accept your card payments on the basis of this.

2. By using this OTP service:
 - a. You agree to provide the data required for the transaction authorization process in the use of this OTP service.
 - b. You agree to keep the confidentiality of your card number or personal information that you have entered to this service. If you let someone else use your passcode, you will be responsible for all claims, losses and other consequences relating to all transactions that have taken place using this service.
 - c. You understand that OTP service can be used only for transactions at the merchants online that have 3DS Secure.
 - d. You agree that the Credit Union is not liable for losses arising from your failure to comply with these Terms and Conditions
 - e. You understand that messages and data rates may apply for using this service.
